Did you know that you are required* to report certain diseases to your local county health department (CHD)?

You are an invaluable part of disease surveillance in Florida!
Please visit [http://floridahealth.gov/diseasereporting](http://floridahealth.gov/diseasereporting) for more information. To report a disease or condition, contact your local CHD epidemiology program ([http://floridahealth.gov/chdepicontact](http://floridahealth.gov/chdepicontact)). If unable to reach your CHD, please call the Bureau of Epidemiology at (850) 245-4401.

*Section 381.0031 (2), Florida Statutes (F.S.), provides that "Any practitioner licensed in this state to practice medicine, osteopathic medicine, chiropractic medicine, naturopathy, or veterinary medicine; any hospital licensed under part I of chapter 395; or any laboratory licensed under chapter 483 that diagnoses or suspects the existence of a disease of public health significance shall immediately report the fact to the Department of Health. Florida's county health departments serve as the Department's representatives in this reporting requirement. Furthermore, Section 381.0031 (4), F.S., provides that "The department shall periodically issue a list of infectious or noninfectious diseases determined by it to be a threat to public health and therefore of significance to public health and shall furnish a copy of the list to the practitioners..."
